Supplier Instructions

- The design and text shown on the artwork are the copyright of GlaxoSmithKline S.p.A. or a member of the GlaxoSmithKline Group of Companies.
- Artwork text and content must not be reset, remade, amended or altered. The only exceptions allowed are:
 a) to items where you are requested to add an EAN bar code
 b) to printed cartons, where print stations, security codes for printing purposes and your logo may be added in positions where they are not visible after the carton has been assembled.
 c) Bleeds, crops, spreads or other adjustments required for PRINT REPRODUCTION PURPOSES ONLY.
 NB. Before returning artwork, please remove these additions.
- If you encounter any difficulties, contact the relevant site artwork department.
- If mounted artwork is provided with a photocopy of the artwork, check that they are identical, in case text has fallen off in transit.
- a) Electronic artwork or colour separated bromide artwork need not be returned. If it is retained, you are responsible for ensuring that it is securely stored.
 b) Mounted artwork must be returned, adequately packed to avoid damage, to the address stated on the front cover.
 c) Zip and floppy disks must be returned.
- This 'Supplier Information Box' is to be used by all GlaxoSmithKline sites, Markets and approved suppliers.
